August 2023- JAC Box Inspiration

Welcome from Ann

August PDF a few days in to September when summer has ACTUALLY arrived for most of us!! If like summer you are running behind and haven't opened your juicy JACbox for August yet you are in for a real treat.

Full of summer inspiration, lots of lovely citrus themed embellishments and plenty of fussy cutting opportunities.

Read on to see how Tracy and I were inspired with these kits where I went grid crazy and we both dug out some coordinating inks to tie in with the summer themed papers

FEATURING...

**SIMPLE STORIES RETRO
SUMMER PAPERS &
LEMON ELEMENTS**

**LAYOUTS FROM DESIGN
TEAM MEMBERS TRACY
AND ANN THIS MONTH**

Tracy - Layout 1

Tracy picked 2 colours teal and pink from the papers to add a swipe of ink to the left and right of her page to house some clusters of elements cut from the papers. Her stamped title features one of the many fonts from Blue Puppy Studio stamps!

Tracy- Layout 2

It was hard to pick which of Tracy's other layouts to feature in the PDF but this nice central cluster with the fab blocks of colour really just scream happy! Do check out our Facebook group for more inspiration from her this month (more inky fun!)

Ann - Layout 1

So many great papers and fun colours in this summer themed box a grid layout is a great way of showing lots of them off at the same time. The smaller blocks make busier papers easier to handle and you can add more photos if you like.

Ann - Layout 2

This second layout is as featured in the live scrapping session in collaboration with Twilights crafts as part of their summery challenge. Another grid page but with some coordinating inks through stencils bursting out from behind them for a twist.
